AMERICAN CANCER SOCIETY PROGRAMS

The American Cancer Society's free, comprehensive patient services and programs help with the emotional, physical and psychological needs associated with cancer. Please contact your Patient Services Center for eligibility criteria. Thank you.

 Information

 Day-to-Day Help

 Emotional Support

LOOK GOOD... FEEL BETTER

Our **LOOK GOOD...FEEL BETTER** licensed volunteer cosmetologists teach cancer patients techniques to help restore their appearance and self-image during chemotherapy and radiation treatments.

HOPE LODGES

The American Cancer Society's **HOPE LODGES** offer lodging and emotional support for cancer patients. In Florida, there are Hope Lodges located in Gainesville and Tampa. Other resources may be available for outpatient lodging.

MAN TO MAN

MAN TO MAN is an educational and support program for men with prostate cancer. It offers a confidential forum to discuss concerns and become better informed on related issues. Also available on a **one-on-one** basis.

CANCER RESOURCE ROOMS

CANCER RESOURCE ROOMS are available in local communities. In addition to cancer information, free donated items such as, wigs, breast prostheses, bras and turbans may also be available. Quantities are limited.

I CAN COPE

I CAN COPE is a free educational program for people facing cancer—either personally or as a caregiver. This program provides participants with reliable information, peer support and practical coping skills.

ROAD TO RECOVERY

Through **ROAD TO RECOVERY** trained volunteer drivers transport patients to and from cancer treatment. Other transportation resources for treatment may be available.

REACH TO RECOVERY

REACH TO RECOVERY provides support and education to individuals dealing with the emotional and physical effects of breast cancer. Trained breast cancer survivors serve as role models to breast cancer patients after breast surgery. **Early Support** is provided to women facing a breast cancer diagnosis on a one-to-one basis.

RESOURCES, INFORMATION AND GUIDANCE

Our **RESOURCES, INFORMATION AND GUIDANCE** service assists people in making informed decisions by providing:

- Answers to questions about cancer, prevention, detection and symptoms.
- Information about quality-of-life issues, including pain management.
- Referrals to local, state and national resources.
- Help identifying financial assistance for lodging during eligible out-of-town treatment, cancer-related pain medications and transportation to and from eligible cancer treatment.

R.O.C.K. PROGRAMS

R.O.C.K. stands for Reaching Out to Cancer Kids. Patients must be referred by their pediatric oncologist to participate in the following programs:

- **R.O.C.K. Camp** provides children with cancer an opportunity to experience the fun and adventure of a week-long summer camp in a safe environment.
- **Families R.O.C.K. Weekend** is an educational and fun retreat for families who have a child who is newly diagnosed.
- The **College Scholarship Program** helps make dreams come true by offering college scholarships to qualified Florida students with a history of cancer.
- R.O.C.K. also supports research, education, advocacy and service programs related to childhood cancer.

The American Cancer Society is the nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer, through research, education, advocacy, and service.
